

## **St. Bonaventure Catholic School Policy on Student Owned E-readers**

A student who brings their privately owned E-readers, such as the Kindle, Nook or iPad, to school is personally responsible for the equipment. Any damage to or loss of the equipment is the responsibility of the student. No equipment may be attached to the St. Bonaventure network except by the Technology Department personnel or their designated alternate.

The student is responsible for the security of the equipment when it is not being used. We recommend that the equipment not be taken out during recess and lunch.

Please note that parents assume responsibility for content viewed by children on wifi, 3G or 4G devices brought in from home.

I have read and consent to the above information. I am requesting to bring my privately owned e-reader to school. Please sign below and return the form to the classroom teacher.
