CHROMEBOOK AGREEMENT

This agreement provides students and their parents/guardians with information about taking care of the equipment, using it to complete assignments, and being a good digital citizen.

The school has purchased Chromebooks with access to the internet for student education. The device is not to be used for entertainment during school hours. Use of the Chromebook at school will be allowed under direct teacher supervision and permission. Use of the Chromebook without permission or supervision will result in the loss of privileges.

Chromebooks will be distributed the first week of school. Parents and students must sign and return the Chromebook Policy document yearly. It is the responsibility of the 6th and 7th grade students to return the Chromebook at the end of the 2017-2018 school year in good operating condition.

Teachers will provide clear guidelines for student school use of the device; **at home use is the responsibility of the parent.**

If a student uses the Chromebook in a manner that does not coincide with the educational instruction such as:

- Visiting inappropriate websites
- Listening to improper music, watching videos, visiting social websites, or any form of entertainment during school hours
- Posting, emailing, or chatting unkind words about another person
- Sharing school documents unless instructed by the teacher

will result in disciplinary action as determined by the teacher documented in the student/parent handbook.

Students are solely responsible for the care and safe keeping of their Chromebook. Any loss or damage, regardless of the cause will be the strict financial responsibility of students/parents. Students are not permitted to repair, alter, modify or replace the Chromebook without authorization from St. Bonaventure Catholic School.

St. Bonaventure Catholic School will not replace or repair a Chromebook without pre-payment from the student/parent.

This Chromebook authorized Use Policy applies to St. Bonaventure Catholic School students at all times, whether or not the students are on campus, as St. Bonaventure Catholic School students are school representatives at all times.

Before using their Chromebook, we strongly encourage students to consider whether their Chromebook uses may be regarded as offensive, hurtful, or otherwise inappropriate by others.
