B. I am interested in serving on one of the School Board's subcommittees:

- Mission/Faith Development:** works with school administration to promote permeation of Catholic Identity and values throughout the Parish School Community.
- Strategic Planning:** works with school administration to develop, implement, and evaluate progress of the School's Strategic Plan; the strategic planning work of the School Board for 2015-16 includes the following subcommittees: *Marketing, Finance, Communication, Catholic Identity/Faith Formation, Governance.*
- Institutional Advancement:** works with the school administration to assist and advise in developing ongoing sources of revenue to supplement tuition and support school programs.
- Marketing and Communications:** works with school administration to monitor student enrollment; seeks ways to continue to market the school; develops strategies for further recruitment and retention of students; and develops strategies to assist in communications to shareholders outside the community.
- Finance:** works with school administration to provide guidance in all areas of the school's financial management; identifies facility and program needs and funding; evaluates and suggests sustainable revenue sources (other than tuition); and partners with other SBS finance areas to promote financial stability and growth opportunities.
- Safety and Facilities:** works with school administration and Parish Facilities Manager to design and monitor a long-term maintenance plan, a long term capital improvement plan, and a security/emergency management plan for the school.
- Curriculum:** works with the school administration to review that the school's educational program presents an objective and balanced picture of the ethnic and religious groups making up our pluralistic society; plan and organize experiences which will bring about the proper Christian family, the Church, and society; reviews the Principal's report on standardized tests and compares results with expected curriculum outcomes relating to goals and objectives; and reviews with the school administration general guidelines for co-curricular and interscholastic activities.
