Walker and Bicycle Dismissal Application

To facilitate our dismissal procedures, we will be compiling a list of students who will be walking/biking home rather than being picked up by car. Students **MUST** be on this list if they are to leave school without an adult. Kindergarten and Sprouts students are not eligible to be walkers.

If your child will be leaving school without an adult, please list their names, the grades they will be in next year, and their walking destinations. Please note that for liability and safety reasons, we need the exact address that they will be walking to. Students are not allowed to be released as a walker and then loiter on or near the school grounds while awaiting a ride.

Name (first and last)	Grade 2015-16	Destination
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

I am aware that school personnel do not provide supervision once the student leaves through the walker's gate, and that there may be heavy traffic on Orlando and Bradbury.
