- The library cart will come to the classroom first thing in the morning, to collect books that are due or need renewing, on the same day that class visits the library (listed above).
- Teachers - Please advise the library if you will be missing your assigned time due to a field trip or other conflict so a new visiting time can be provided.
- A library fine of 10 cents per day applies to student overdue books beginning in 3rd grade. Fines do NOT include weekends, holidays, absence days or days the library is closed. See page 10 in the student handbook for more information.

The library is open everyday during both recesses and both lunches!
